Success is incredABLE!

Here's how some of our other corporate partners have made a difference ...

We run two social enterprise cafés in partnership with ABC Borough Council - upstairs at Banbridge Leisure Centre and in the foyer of the council's flagship South Lake Leisure Centre, Criegavon

Customers and staff avail of the delicious food and specialist teas and coffees made and served by our all-ability teams of bakers, chefs, baristas and waiting staff.

Council and leisure centre staff generously donate to and take part in many of our fundraising activities!

Real partnerships. Real Impact.
